Subject: San Mateo Creek Basin - Timeline for NPL Outreach
Date: Thursday, January 11, 2018 10:28:10 AM

Ben,

Carl requested a timeline/schedule for the San Mateo Creek Basin NPL outreach activities at the 9:15 AM Branch Chief meeting this morning.

I mentioned the upcoming AUM call scheduled for February 2nd and that we received requests for Tribal Consultation from Acoma and the Laguna Pueblos.

I expect he is also interested any other outreach activities that may be planned/scheduled in the Grants Mining District (i.e., for Homestake, Jackpile, etc.).

Thanks

Chris Villarreal
